How to make your card: print this page at 100% (actual size), on card stock if you have it. Cut along the outer line, fold on the dashed line so the printing faces out, and glue or tape the halves together. Keep it in your wallet and show it when you order.

Rx

MEDICAL REQUEST

TO OUR RESTAURANT PARTNERS

Please allow this patient to order from the children's menu.

This patient has had weight-loss surgery and, for medical reasons, can only eat small portions. Thank you for your kindness.
